2. In this case mileage is admissible for the road journey. But as the mileage will be less than the actual charges incurred, the Collector has requested for special sanction to meet the expenditure. The Board recommends sanction of Rs.10/-Ten only being the taxi-hire charges incurred by the Special Revenue Inspector. Similar sanction was accorded previously in G.O. (Food and Agriculture) Rt.361/16-5-51. The voucher for Rs.10/- is enclosed for return after perusal.

On 29-1-52 the Special Revenue Inspector, Anti-smuggling Hosdrug received information at Kasargod regarding smuggling of foodgrains at Thekkil by some smugglers. He, therefore, engaged a special taxi and proceeded to the spot along with the Firka Supply Officer, Kasargod, and seized a stock of 39 muras of paddy in Kuttathody village when it was being loaded into taxi No.M.D.X.1798, on suspicion that the stock was meant to be conveyed to Kasargod rationed area. The case would have gone undetected, had the Special Revenue Inspector not chased the vehicle after engaging taxi for the purpose.

The Special Revenue Inspector has no conveyance and he uses the jeep whenever it is allotted to the Taluk Supply Officer, Kasargod for procurement. A separate reference has been made to the Board for the sanction of a jeep for anti-smuggling work. Unless actual charges incurred by the Special Revenue Inspector is reimbursed to him, he will have no incentive to do his work effectively in an emergency. In similar case, the Government was pleased to accord sanction for the payment of taxi hire in G.O.Rt.361 dated 10.5.51 (Board's L.Dis.57265.B.51(CS) dated 28.5.51). The present case does not fall under rule 44(b) of the M.T.A. Rules as the journey was performed by road for which T.A. is admissible under the rules. In the circumstances I request that the Board may be pleased to recommend to the Government the sanction of Rs.10/- being the actual expenditure incurred by the Special Revenue Inspector in engaging a taxi.

The bill in original claimed by the driver of the taxi is enclosed for favour of perusal and return.
